Got your kit ready in several large bins or wheeled luggage? Now for the fun part...

1. Please write a card to the person moving in on the container with a message of hope and best wishes from your group. Imagine how special this surprise will be! Send in your form with name, email & phone number to donors@ourplacesociety.com.

2. We would like to arrange a photo shoot for social media recognition and notes of appreciation and circulation to other groups to show them what caring hands can create! Please ask one of your group to call Our Place Donor Services at 250-940-5060 to let us know you are ready. We will ask all people in the photo to complete photo release permission forms.

3. When we are notified of a move-in date, we will contact you to arrange for a pick up.

4. Provide us with the names and numbers of at least two people for our contact information file, for a follow up note back to you, when the bins are used to help someone move into their new apartment. What a joyful gift to give, and receive!

Congratulations and thank you for your generous support of this project!

"Giving frees us from the familiar territory of our own needs by opening our mind to unexplained worlds occupied by the needs of others." ~ Barbara Bush
